

# BURNDY

UPC NUMBER 781810

## HYDENT (#8 AWG-2000 KCMIL)

**Long Barrel Lugs  
for Copper Cable & Flex  
Type YA-2, YA-2N, FXB  
Color Coded  
PL2150**

Copper compression terminals for heavy-duty applications. Extra barrel length permits additional crimp on sizes over 250 KCMIL and provides added mechanical strength. Tin-plated, marked with die index and color code.

One &  
Two-Hole Lugs
