

10250T Series pushbuttons

Point-of-purchase packaged pilot devices

10250T Series point-of-purchase packaged pilot devices

Clear-view packaging commands attention!

Eaton's 10250T Series point-of-purchase packaged pilot devices are a convenient way to buy complete devices that serve multiple application requirements. The see-through packaging allows you to see exactly what you are getting. Eleven of our most popular pushbutton products are packaged in a rugged clear clamshell, complete with all the critical information you need to make the right selection. Catalog numbers of other manufacturers' products, as well as product features, are listed on the back of the package for easy selection.

Package Dimensions 6" W x 7" H
