

EZ BOX® New Work Switch & Outlet Boxes

EZ BOX Deep, 3-Gang, New Work, Switch & Outlet Box w/ Screw Nails, Steel Stud Brackets & Express Clip

EZ74TNZU EZ BOX is a 74 cu. in., 3-gang, switch and outlet box for residential or light commercial new construction (new work) electrical installations. It features molded brackets for steel stud mounting along with v-clamps, Express Clips® and screw-nails for EZ installation. The sharp point, slotted head and threaded body of screw-nails allow for installation using a power screwdriver without having to pre-drill on aluminum, light to medium grade steel or wood studs. Express Clip® allows for EZ secure installation of electrical devices. Just align device with mounting holes, tap and turn the screw.

Express Clip®

2 hour fire-rated

- Largest 3-Gang PVC cu. in. box on the market
- Accepts larger wiring devices like dimming switches or motions sensors
- Allows for additional wire capacity
- Dividers are available to partition boxes for installation of low voltage communication devices (EZLVD).
