# CBC

CARLTON-BATES COMPANY®  
A SUBSIDIARY OF WESCO DISTRIBUTION, INC.

# WE ARE COMPONENTS. AND SO MUCH MORE.

## Assembled Solutions

You can have the highest quality products literally tailored to your specific needs. Twenty years of engineering expertise allows us to not only build a product for you, but design it, too. With dedicated assembly facilities in the U.S. and Mexico staffed by more than 250 industry experts, we can save you time, money and resources.

## LEAN Value Creation

Created to eliminate steps that add no value to the end product, LEAN reduces operational costs, improves efficiencies, enhances safety and eliminates waste. The result is a dramatic increase in throughput, costing you less and maximizing profits. Best of all, LEAN is applicable across the entire supply chain process – from supplier to customer.

## Inventory Management

Designed specifically for your company, our Inventory Solutions include: Inventory Bonding, Local OEM Consignment, Customer Product Pricing (CPP), Active Inventory Management (AIM), Vendor Managed Inventory and CBC Host Link.

## Global Accounts

As part of the WESCO family, Carlton-Bates offers more products and service solutions throughout the United States and around the world. WESCO's buying power means an improved bottom line for our customers and our proven track record means stability and peace of mind, too.

# *Personal service so great,*

it doesn't even have to be  
done in person.

---

## *But it can be.*

Carlton-Bates is known for offering the best service in the industry. We'll work directly with you to better understand your business and needs. But it may surprise you to know that this personal service is also available through our catalog and online. No matter how you search for components, you'll always find the product knowledge that Carlton-Bates is known for. Whether you're looking for a sensor, relay, switch or something else, we'll show you why personalized service is one of the most important components we offer.
