

# Wesco | Carlton-Bates

## Manufacturer and Product Line Card

### Distribution Leader of Electronic Component and Customized Assembly Solutions.

#### Assembled Solutions

From kitting, assembly and custom enclosures to complete design of your machine controls, we do whatever it takes to create the smartest path forward for challenges big and small.

With five specialized locations across the U.S. and Mexico and a staff of 700 individuals, our team of engaged and effective problem-solvers builds creative, tangible solutions that move your business forward.

#### Inventory Management

Designed specifically for your company, our Inventory Solutions include: Inventory Bonding, Local OEM Consignment, Customer Product Pricing (CPP), and Vendor Managed Inventory.

#### Global Accounts

Wesco | Carlton-Bates offers more products and service solutions throughout the United States and around the world. Wesco's buying power means an improved bottom line for our customers and our proven track record means stability and peace of mind, too.

#### System Integrator Program

Wesco | Carlton-Bates Strategic Alliance Program encompasses a team of industry-recognized System Integrators. They are trusted and reliable experts with unique capabilities in the industrial automation field.
